We shall provide you with bed linen, towels, basic toiletries and similar items for your own use to meet your needs, together with a laundry service for your machine washable personal clothing. 13.11. Within the Care Home you shall have unrestricted access to your room as well as all resident communal areas.

13.12. We shall provide you with a choice of menu for breakfast, lunch and evening meal which shall accommodate your dietary needs and, as far as practicable, your personal preferences. Snacks and drinks are available throughout the day and night.

13.13. There is a policy of no smoking throughout the Care Home.

- 14.1. Whilst we have insurance covering all aspects of the provision of the Service, this does not extend to your personal property exceeding the value of £500.

- 14.3. We shall not be held liable for any items of personal possessions and furnishings not notified to us for inclusion on the inventory.

15. Care Services

- 15.1. We shall provide you with personal care in accordance with your Care Plan. We shall review this with you during your Trial Period in the Care Home. We shall then review this with you as required, and at least every 6 months.

- 15.4. We shall enlist the support of the NHS as necessary for routine health checks and also to enable you to remain in the Care Home in the event of illness, should you so wish, unless your GP recommends alternative arrangements.
- 15.5. The administration of your medicines shall be discussed and agreed with you and shall be recorded in your Care Plan.
- 15.6. There shall be a choice of social and recreational activities if you wish to participate. You shall be consulted in the planning of these activities.

16. Visitors

- 16.1. Subject to clause 16.2, we encourage open visiting to the Care Home, provided that it is acceptable to the residents and does not in any way adversely affect the quality of life of residents in any way.
- 16.2. Please note that we reserve the right to refuse or limit entry of visitors to the Care Home where: (i) the Care Home is required to close to external visitors / third parties in accordance with National guidance or infection control measures; or (ii) the behaviour of the relevant visitor is not acceptable or poses a risk to our Staff or other residents at the Care Home.
